## Subject index

### Volume 7 (1995)

**Abducens nerve**; Millard-Gubler syndrome; Pontine hemorrhage; Paramedian pontine reticular formation (PPRF); Medial longitudinal fasciculus (MLF); Facial nerve; Corticospinal tract 7, 33

**Acquired hyperopia**; Choroidal folds; Retinal folds; Bruch's membrane; Hyperfluorescence; Hypofluorescence 7, 211

**Age-related macular degeneration**; Presumed ocular histoplasmosis syndrome; Subfoveal choroidal neovascularization; Vitreoretinal surgery 7, 175

**Antifibrinolytics**; Hyphema; Spontaneous hyphema; Neovascularization of the iris; Secondary glaucoma 7, 83

**Birdshot retinochoroidopathy**; Vitiliginous chorioretinitis; Vitritis 7, 99

**Borrelia burgdorferi**; Lyme disease; Disc edema 7, 25

**Brainstem infarction**; Internuclear ophthalmoplegia; Ocular motility disorder; Ophthalmoplegia; Nystagmus; Medial longitudinal fasciculus; Paramedian pontine reticular formation; Multiple sclerosis 7, 39

**Bruch's membrane**; Choroidal folds; Retinal folds; Acquired hyperopia; Hyperfluorescence; Hypofluorescence 7, 211

**Capsulorhexis**; Posterior chamber/anterior chamber intraocular lens; Dislocation; Pupillary capture; Sunrise syndrome; Sunset syndrome; Windshield wiper syndrome 7, 91

**Carotid occlusive disease**; Cataract surgery; Endarterectomy; Neovascular glaucoma; Ocular ischemic syndrome; Phacoemulsification 7, 139

**Cataract surgery**; Carotid occlusive disease; Endarterectomy; Neovascular glaucoma; Ocular ischemic syndrome; Phacoemulsification 7, 139

**Central retinal vein occlusion**; Optociliary shunt vessels; Optic nerve sheath meningioma; Spheno-orbital meningioma; Optic atrophy 7, 69

**Central serous choroidopathy**; Central serous retinopathy; Elderly; Laser photocoagulation; Retina; Female 7, 133

**Central serous retinopathy**; Central serous choroidopathy; Elderly; Laser photocoagulation; Retina; Female 7, 133

**Choristoma**; Lipodermoids; Goldenhar-Gorlin syndrome; Non-pigmented tumor 7, 79

**Choroidal calcification**; Choroidal osteoma; Computed tomography; Ocular tumor; Choroidal neovascularization 7, 129

**Choroidal folds**; Retinal folds; Acquired hyperopia; Bruch's membrane; Hyperfluorescence; Hypofluorescence 7, 211

**Choroidal neovascularization**; Choroidal osteoma; Computed tomography; Ocular tumor; Choroidal calcification 7, 129

**Choroidal osteoma**; Computed tomography; Ocular tumor; Choroidal calcification; Choroidal neovascularization 7, 129

**Computed tomography**; Choroidal osteoma; Ocular tumor; Choroidal calcification; Choroidal neovascularization 7, 129

**Contrast sensitivity**; Nursing home; Legal blindness; Low vision 7, 203

**Corneal hydrops**; Descemet's membrane; Descemet's rupture; Forceps injury 7, 195

**Corticospinal tract**; Millard-Gubler syndrome; Pontine hemorrhage; Paramedian pontine reticular formation (PPRF); Medial longitudinal fasciculus (MLF); Abducens nerve; Facial nerve 7, 33

**Descemet's membrane**; Descemet's rupture; Corneal hydrops; Forceps injury 7, 195

**Descemet's rupture**; Descemet's membrane; Corneal hydrops; Forceps injury 7, 195

**Diplopia**; Trochlear nerve; Oculomotor nerve; Park three step; Supranuclear gaze palsy; Thyroid eye disease; Orbital blow out fracture; Myasthenia gravis 7, 15

**Disc edema**; Lyme disease; *Borrelia burgdorferi* 7, 25

**Dislocation**; Posterior chamber/anterior chamber intraocular lens; Capsulorhexis; Pupillary capture; Sunrise syndrome; Sunset syndrome; Windshield wiper syndrome 7, 91

**Dyslipoproteinemias**; Xanthelasma; Xanthoma; Lipoprotein 7, 117

**Elderly**; Central serous choroidopathy; Central serous retinopathy; Laser photocoagulation; Retina; Female 7, 133

**Endarterectomy**; Cataract surgery; Carotid occlusive disease; Neovascular glaucoma; Ocular ischemic syndrome; Phacoemulsification 7, 139

**Endogenous;** Endophthalmitis; Exogenous; Septicemia; Vitrectomy 7, 143

**Endophthalmitis;** Endogenous; Exogenous; Septicemia; Vitrectomy 7, 143

**Exogenous;** Endophthalmitis; Endogenous; Septicemia; Vitrectomy 7, 143

**Facial nerve;** Millard-Gubler syndrome; Pontine hemorrhage; Paramedian pontine reticular formation (PPRF); Medial longitudinal fasciculus (MLF); Abducens nerve; Corticospinal tract 7, 33

**Female;** Central serous choroidopathy; Central serous retinopathy; Elderly; Laser photocoagulation; Retina 7, 133

**Forceps injury;** Descemet's membrane; Descemet's rupture; Corneal hydrops 7, 195

**Goldenhar-Gorlin syndrome;** Lipodermoids; Choristoma; Non-pigmented tumor 7, 79

**Graves' disease (GD);** Myasthenia gravis (MG); Internuclear ophthalmoplegia (INO); Pseudo-internuclear ophthalmoplegia 7, 185

**Hyperfluorescence;** Choroidal folds; Retinal folds; Acquired hyperopia; Bruch's membrane; Hypofluorescence 7, 211

**Hyphema;** Spontaneous hyphema; Neovascularization of the iris; Antifibrinolytics; Secondary glaucoma 7, 83

**Hypofluorescence;** Choroidal folds; Retinal folds; Acquired hyperopia; Bruch's membrane; Hyperfluorescence 7, 211

**Internuclear ophthalmoplegia (INO);** Myasthenia gravis (MG); Graves' disease (GD); Pseudo-internuclear ophthalmoplegia 7, 185

**Internuclear ophthalmoplegia;** Ocular motility disorder; Ophthalmoplegia; Nystagmus; Medial longitudinal fasciculus; Paramedian pontine reticular formation; Multiple sclerosis; Brainstem infarction 7, 39

**Laser photocoagulation;** Central serous choroidopathy; Central serous retinopathy; Elderly; Retina; Female 7, 133

**Legal blindness;** Nursing home; Low vision; Contrast sensitivity 7, 203

**Lipodermoids;** Choristoma; Goldenhar-Gorlin syndrome; Non-pigmented tumor 7, 79

**Lipoprotein;** Xanthelasma; Xanthoma; Dyslipoproteinemias 7, 117

**Low vision;** Nursing home; Legal blindness; Contrast sensitivity 7, 203

**Lyme disease;** *Borrelia burgdorferi*; Disc edema 7, 25

**Medial longitudinal fasciculus (MLF);** Millard-Gubler syndrome; Pontine hemorrhage; Paramedian pontine reticular formation (PPRF); Abducens nerve; Facial nerve; Corticospinal tract 7, 33

**Medial longitudinal fasciculus;** Internuclear ophthalmoplegia; Ocular motility disorder; Ophthalmoplegia; Nystagmus; Paramedian pontine reticular formation; Multiple sclerosis; Brainstem infarction 7, 39

**Millard-Gubler syndrome;** Pontine hemorrhage; Paramedian pontine reticular formation (PPRF); Medial longitudinal fasciculus (MLF); Abducens nerve; Facial nerve; Corticospinal tract 7, 33

**Multiple sclerosis;** Internuclear ophthalmoplegia; Ocular motility disorder; Ophthalmoplegia; Nystagmus; Medial longitudinal fasciculus; Paramedian pontine reticular formation; Brainstem infarction 7, 39

**Myasthenia gravis (MG);** Graves' disease (GD); Internuclear ophthalmoplegia (INO); Pseudo-internuclear ophthalmoplegia 7, 185

**Myasthenia gravis;** Diplopia; Trochlear nerve; Oculomotor nerve; Park three step; Supranuclear gaze palsy; Thyroid eye disease; Orbital blow out fracture 7, 15

**Neovascular glaucoma;** Cataract surgery; Carotid occlusive disease; Endarterectomy; Ocular ischemic syndrome; Phacoemulsification 7, 139

**Neovascularization of the iris;** Hyphema; Spontaneous hyphema; Antifibrinolytics; Secondary glaucoma 7, 83

**Non-pigmented tumor;** Lipodermoids; Choristoma; Goldenhar-Gorlin syndrome 7, 79

**Nursing home;** Legal blindness; Low vision; Contrast sensitivity 7, 203

**Nystagmus;** Internuclear ophthalmoplegia; Ocular motility disorder; Ophthalmoplegia; Medial longitudinal fasciculus; Paramedian pontine reticular formation; Multiple sclerosis; Brainstem infarction 7, 39

**Ocular ischemic syndrome;** Cataract surgery; Carotid occlusive disease; Endarterectomy; Neovascular glaucoma; Phacoemulsification 7, 139

**Ocular motility disorder;** Internuclear ophthalmoplegia; Ophthalmoplegia; Nystagmus; Medial longitudinal fasciculus; Paramedian pontine reticular formation; Multiple sclerosis; Brainstem infarction 7, 39

**Ocular tumor;** Choroidal osteoma; Computed tomography; Choroidal calcification; Choroidal neovascularization 7, 129

**Oculomotor nerve;** Diplopia; Trochlear nerve; Park three step; Supranuclear gaze palsy; Thyroid eye disease; Orbital blow out fracture; Myasthenia gravis 7, 15

**Ophthalmoplegia;** Internuclear ophthalmoplegia; Ocular motility disorder; Nystagmus; Medial longitudinal fasciculus; Paramedian pontine reticular formation; Multiple sclerosis; Brainstem infarction 7, 39

**Optic atrophy;** Optociliary shunt vessels; Central retinal vein occlusion; Optic nerve sheath meningioma; Spheno-orbital meningioma 7, 69

**Optic nerve sheath meningioma;** Optociliary shunt vessels; Central retinal vein occlusion; Spheno-orbital meningioma; Optic atrophy 7, 69

**Optociliary shunt vessels;** Central retinal vein occlusion; Optic nerve sheath meningioma; Spheno-orbital meningioma; Optic atrophy 7, 69

**Orbital blow out fracture;** Diplopia; Trochlear nerve; Oculomotor nerve; Park three step; Supranuclear gaze palsy; Thyroid eye disease; Myasthenia gravis 7, 15

**Paramedian pontine reticular formation (PPRF);** Millard-Gubler syndrome; Pontine hemorrhage; Medial longitudinal fasciculus (MLF); Abducens nerve; Facial nerve; Corticospinal tract 7, 33

**Paramedian pontine reticular formation;** Internuclear ophthalmoplegia; Ocular motility disorder; Ophthalmoplegia; Nystagmus; Medial longitudinal fasciculus; Multiple sclerosis; Brainstem infarction 7, 39

**Park three step;** Diplopia; Trochlear nerve; Oculomotor nerve; Supranuclear gaze palsy; Thyroid eye disease; Orbital blow out fracture; Myasthenia gravis 7, 15

**Phacoemulsification;** Cataract surgery; Carotid occlusive disease; Endarterectomy; Neovascular glaucoma; Ocular ischemic syndrome 7, 139

**Pontine hemorrhage;** Millard-Gubler syndrome; Paramedian pontine reticular formation (PPRF); Medial longitudinal fasciculus (MLF); Abducens nerve; Facial nerve; Corticospinal tract 7, 33

**Posterior chamber/anterior chamber intraocular lens;** Dislocation; Capsulorhexis; Pupillary capture; Sunrise syndrome; Sunset syndrome; Windshield wiper syndrome 7, 91

**Presumed ocular histoplasmosis syndrome;** Age-related macular degeneration; Subfoveal choroidal neovascularization; Vitreoretinal surgery 7, 175

**Pseudo-internuclear ophthalmoplegia;** Myasthenia gravis (MG); Graves' disease (GD); Internuclear ophthalmoplegia (INO) 7, 185

**Pupillary capture;** Posterior chamber/anterior chamber intraocular lens; Dislocation; Capsulorhexis; Sunrise syndrome; Sunset syndrome; Windshield wiper syndrome 7, 91

**Retina;** Central serous choroidopathy; Central serous retinopathy; Elderly; Laser photocoagulation; Female 7, 133

**Retinal folds;** Choroidal folds; Acquired hyperopia; Bruch's membrane; Hyperfluorescence; Hypofluorescence 7, 211

**Secondary glaucoma;** Hyphema; Spontaneous hyphema; Neovascularization of the iris; Antifibrinolytics 7, 83

**Septicemia;** Endophthalmitis; Endogenous; Exogenous; Vitrectomy 7, 143

**Spheno-orbital meningioma;** Optociliary shunt vessels; Central retinal vein occlusion; Optic nerve sheath meningioma; Optic atrophy 7, 69

**Spontaneous hyphema;** Hyphema; Neovascularization of the iris; Antifibrinolytics; Secondary glaucoma 7, 83

**Subfoveal choroidal neovascularization;** Age-related macular degeneration; Presumed ocular histoplasmosis syndrome; Vitreoretinal surgery 7, 175

**Sunrise syndrome;** Posterior chamber/anterior chamber intraocular lens; Dislocation; Capsulorhexis; Pupillary capture; Sunset syndrome; Windshield wiper syndrome 7, 91

**Sunset syndrome;** Posterior chamber/anterior chamber intraocular lens; Dislocation; Capsulorhexis; Pupillary capture; Sunrise syndrome; Windshield wiper syndrome 7, 91

**Supranuclear gaze palsy;** Diplopia; Trochlear nerve; Oculomotor nerve; Park three step; Thyroid eye disease; Orbital blow out fracture; Myasthenia gravis 7, 15

**Thyroid eye disease;** Diplopia; Trochlear nerve; Oculomotor nerve; Park three step; Supranuclear gaze palsy; Orbital blow out fracture; Myasthenia gravis 7, 15

**Trochlear nerve;** Diplopia; Oculomotor nerve; Park three step; Supranuclear gaze palsy; Thyroid eye disease; Orbital blow out fracture; Myasthenia gravis 7, 15

**Vitiliginous chorioretinitis;** Birdshot retinochoroidopathy; Vitritis 7, 99

**Vitrectomy;** Endophthalmitis; Endogenous; Exogenous; Septicemia 7, 143

**Vitreoretinal surgery;** Age-related macular degeneration; Presumed ocular histoplasmosis syndrome; Subfoveal choroidal neovascularization 7, 175

**Vitritis;** Birdshot retinochoroidopathy; Vitiliginous chorioretinitis 7, 99

**Windshield wiper syndrome;** Posterior chamber/anterior chamber intraocular lens; Dislocation; Capsulorhexis; Pupillary capture; Sunrise syndrome; Sunset syndrome 7, 91

**Xanthelasma;** Xanthoma; Lipoprotein; Dyslipoproteinemias 7, 117

**Xanthoma;** Xanthelasma; Lipoprotein; Dyslipoproteinemias 7, 117
